Applications hereby made to the Codes Office for the issuance of a Building Permit pursuant to the N.Y.S. Fire Prevention and Building Code for the construction of buildings, additions or alterations, as per Part 442. The applicant or owner agrees to comply with all applicable laws, ordinances, regulations and all conditions expressed within this application which are part of these requirements, and also will allow all inspectors to enter the premises for the required inspections.

Please read the application instructions carefully, complete all parts and include building plans and detailed plot diagram. New York State requires that plans be stamped and signed by a N.Y. Licensed Architect or P.E. if there is more than 1500 square feet of habitable space, or if the cost of the building, addition, or alteration exceeds \$20,000.00, or if the building, addition, or alteration will have an effect on either structural or public safety. The plans will also have to be certified that they conform to N.Y. State Energy Code.

All septic system work must comply with N.Y. State Health Dept. regulations. Applications that include a new septic system will have to show the new system within the plot diagram. A percolation test and septic design must accompany the application and be signed by a N.Y. Licensed Architect or P.E. I request a 72-hour notice for an inspection of a septic system prior to back filling.

INSTRUCTIONS

This application must be completely filled in by typewriter or in ink and submitted in duplicate to the Codes Enforcement Officer.

Plot plan showing location of a lot and of buildings on premises, relationship to adjoining premises or public streets or areas and giving detailed description of layout of property must be drawn, which is part of this application.

This application must be accompanied by two (2) sets of plans showing proposed construction. One set if they are blue prints.

The work covered by this application may not commence prior to the issuance of a building permit.

Building Permit and approved plans shall be kept on the premises, and be available for inspection throughout the progress of the work. **Building Permit is good for one (1) year.**

No Building **SHALL BE OCCUPIED OR USED** until a **CERTIFICATE OF OCCUPANCY OR COMPLETION** has been issued.

Any deviation from the approved plans must be authorized, the approval of revised plans are subject to the same procedure established for the examination of the original plans. An additional permit fee may be charged predicated on the extent of the variation from the original plans.
